Individual options waiver - Allocation of home and community-based services waiver state matching funds.

(A) Purpose

The purpose of this rule is to establish procedures for the allocation of home and community-based services waiver state matching funds for the individual options waiver.

(B) Subject to available appropriations, the department may allocate to county boards state matching funds to be used to fund home and community-based waiver services for individuals enrolled in the individual options waiver.

(C) When an individual enrolled in the individual options waiver moves from one county in this state to another county in this state, the department shall reduce the amount the department allocates pursuant to this rule to the county board serving the county the individual left by the amount and to the extent required by section 5123.0410 of the Revised Code. The department shall increase the amount allocated pursuant to this rule to the county board serving the county to which the individual moved by the same amount.

(D) The department may require a county board to provide written reports or other information regarding the funds a county board or provider receives pursuant to this rule. The department shall provide prior written notification of the data elements and format required.

(E) The department may audit any funds a county board or provider receives pursuant to this rule, including any source documentation supporting the receipt and disbursement of such funds.
